GTC PTA Program Honor Code

"I commit to uphold the ideals of honor and integrity by refusing to betray the trust bestowed upon me as a student in the Greenville Technical College Physical Therapist Assistant Program and the Profession of Physical Therapy"

Each student admitted into the GTC PTA Program is entering a profession where honest and ethical conduct is not only a professional responsibility, but a legal requirement. In recognition of this, each student will be treated by all other students, the faculty, and the administration as a person of honor with the highest personal integrity.

We demand of each other that each of us tell the truth, respect the property of others, and never submit the work of another as our own. We will neither provide nor accept unauthorized assistance on any school related assignment, nor shall we either intentionally mislead or impede the learning of our fellow students. This also includes honest and accurate completion of all documentation as a PTA student, including this Weighted Admission Application. Students with evidence of falsification of documentation will not be admitted or allowed to remain in the PTA Program.

Essential to the character of the Honor Code is the obligation of each student to report any violation of the Honor Code and to participate in proceedings if called upon.

"I pledge that on all academic work that I submit, I will neither give nor receive unauthorized aid, nor will I present another person's work as my own."
