Approved by President:

Overview:

All institutional scholarship funds of Greenville Technical College and Greenville Tech Foundation, Inc. are available to any eligible student applicant meeting the requirements set forth for each fund.

Role, Scope, and Responsibilities:

Applications for general institutional scholarships are available in the college financial aid office, online at www.gvltec.edu (college website), and from the college Information Center and are due by May 1. Students must complete the FAFSA and have a minimum 2.0 GPA at Greenville Tech or from a previous high school or college attended to be eligible.

The Institutional Scholarship Committee will review eligible applications for scholarships and make award recommendations based on existing guidelines for each scholarship fund. Specific departmental/divisional scholarships for emergencies are awarded by the departments/divisions in cooperation with the financial aid office on an as needed basis.

In compliance with the requirement for coordination of all aid awarded by the institution, all scholarship awards will be coordinated through or reported to the college financial aid office.
