Next Steps

- Make payment for Classes. Payment is due in full. Payment can be made online, over the phone, or in person at the Admissions and Registration Center or Student Services at any satellite campus. Failure to pay tuition or make payment arrangements may result in your class(es) being purged (deleted).
 - If you cannot pay your tuition in full, GTC offers a "Do Not Purge" single due-date delayed payment option. This option ensures that a student's class schedule will not be deleted for non-payment, though a down-payment will be required. Access the Do Not Purge Promissory Note at <http://www.gvltec.edu/DoNotPurge/>.

Note: Transient students are not eligible for financial aid at Greenville Technical College. Check with your home institution for financial assistance information concerning attending another institution).
