

Request for Exception

Criteria and Instructions

Exceptions are granted on a limited basis for high school students that show a high potential for being successful in a college class. Each request is considered on an individual basis and is approved by the Vice President for Academic Affairs or the designee. Students who wish to request an exception should follow the steps listed below and submit their request to the Vice President for Academic Affairs (AD/123, Suite 152).

- A student is under 16 years of age
- A student scores less than the minimum on the entrance/placement test (*Career Center use only*)
- A student is requesting to take more than 2 college courses in one semester. (*This is only possible after a student has **successfully** completed one semester of college course work*)
