2017-2018 QUESTION 23 STUDENT AID ELIGIBILITY WORKSHEET

You are receiving this worksheet because you reported on your Free Application for Federal Student Aid (FAFSA) that you had a conviction for possessing or selling illegal drugs **or** because you left **Question 23** blank. **Complete this worksheet to determine if you are eligible for federal student aid and return immediately.**

These are the possible eligibility results:

"1" means your eligibility for federal student aid is not affected by Question 23.

"2" means your drug conviction(s) affect eligibility for federal student aid for part of this school year. The Financial Aid Office will examine your "eligibility date" from question 11 on this worksheet to determine your status.

"3" means you are not eligible for federal student aid for this school year unless you complete an acceptable drug rehab program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program.

Even if you are not eligible for federal student aid, you may still be eligible for aid from your state or college.

On this worksheet count only federal or state convictions. Do not count any convictions that have been removed from your record, or occurred before you turned 18, unless you were tried as an adult.
