   (i) Those prices;
   (ii) The intention to submit an offer; or
   (iii) The methods or factors used to calculate the prices offered.

(2) The prices in this offer have not been and will not be knowingly disclosed by the offeror, directly or indirectly, to any other offeror or competitor before bid opening (in the case of a sealed bid solicitation) or contract award (in the case of a negotiated solicitation) unless otherwise required by law; and

(3) No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.

(b) Each signature on the offer is considered to be a certification by the signatory that the signatory-

(1) Is the person in the offeror's organization responsible for determining the prices being offered in this bid or proposal, and that the signatory has not participated and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this certification; or

DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE (FEB 2015)
You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are (a) preventing the existence of conflicting roles that might bias a contractor's judgment, and (b) preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the state may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. The state may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the State promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Except to the extent necessary for performance of the work, citizens should not be required to share information with those engaged by the government in order to access services provided by the government and such information should be used by those engaged by the government only to the extent necessary to perform the work acquired; accordingly, this clause addresses basic requirements for the Contractor’s use and disclosure of government information, which expressly includes,
but is not limited to, information provided by or obtained from the citizens. Anonymizing information does not resolve the
foregoing concern. This clause should be broadly interpreted to effectuate this intent. Every obligation in this clause is
material. Absent express reference to this clause, this clause supersedes any other clause to the extent of any inconsistency
unless and to the extent the other clause provides greater protection for government information.

(b) Legal mandates. Contractor shall be permitted to use, disclose, or retain government information to the limited extent
necessary to comply with any requirement imposed on Contractor by law. If it is necessary for Contractor to use, disclose,

written notice, including a description of the circumstances and applicable law, in advance of such use, disclosure or
retention except to the extent expressly prohibited by law.

contract. Contractor acquires no rights in any government information except the limited rights to use, disclose and retain
the government information in accordance with the terms of this solicitation. To the extent reasonably necessary to perform
the work, Contractor may: (i) use (including access, process, transmit, and store) and maintain the government information

agrees to promptly deliver to the using governmental unit (or destroy, at the using governmental unit’s option) all
government information in its possession as and upon written request of using governmental unit (provided that, if the
contract has not expired or been terminated, Contractor shall be excused from the performance of any work reasonably
dependent on Contractor’s further access to such government information).
(g) Privacy Policy & Applicable Laws. Without limiting any other legal or contractual obligations imposed by this contract
or the law, Contractor shall (a) comply with its own privacy policies and written privacy statements relevant to the work,
and (b) comply with (1) all laws applicable to Contractor regarding government information, and (2) all laws and standards
identified in the clause, if included, entitled Information Use and Disclosure – Standards.
(h) Actions Following Disclosure. Immediately upon discovery of a compromise or improper use of government
information, Contractor shall take such action as may be necessary to preserve forensic evidence and eliminate the cause of
the compromise or improper use. As soon as practicable, but no later than twenty-four hours after discovery, Contractor
shall notify using governmental unit of the compromise or improper use, including a description of the circumstances of
the use or compromise. As soon as practicable after discovery, Contractor shall undertake a thorough forensic investigation
of any compromise or improper use and provide the using governmental unit all information necessary to enable the using
governmental unit to fully understand the nature and extent of the compromise or improper use. With regard to any
compromise or improper use of government information, Contractor shall: (1) provide any notification to third parties
legally required to be provided such notice by Contractor, and if not (e.g., if legally required of the using governmental
unit), Contractor shall reimburse using governmental unit for the cost of providing such notifications; (2) pay all costs and
expenses for at least two years of identity theft monitoring services (including without limitation, credit monitoring) and
identity theft restoration services for any such affected individuals receiving notice where such services are appropriate
given the circumstances of the incident and the nature of the information compromised; (3) undertake any other measures
that are customary and reasonable for an entity to take when experiencing a similar disclosure, (4) pay any related fines or
penalties imposed on the using governmental unit, and (5) reimburse the Using Governmental Unit all costs reasonably

survive termination or expiration of the contract. Without limiting any rights the using governmental unit may have, and
notwithstanding any other term of this contract, Contractor agrees that using governmental unit may have no adequate
remedy at law for a breach of Contractor's obligations under this clause and therefore the using governmental unit shall be

PRICE ADJUSTMENTS (JANUARY 2006)
(1) Method of Adjustment. Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):
   (a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
   (b) by unit prices specified in the Contract or subsequently agreed upon;
   (c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;
   (d) in such other manner as the parties may mutually agree; or,
   (e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed, all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.
(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

RELATIONSHIP OF THE PARTIES (JAN 2006)
Neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party. [07-7B205-1]

RESTRICTIONS ON PRESENTING TERMS OF USE OR OFFERING ADDITIONAL SERVICES (FEB 2015)
(a) Citizens, as well as public employees (acting in their individual capacity), should not be unnecessarily required to agree to or provide consent to policies or contractual terms in order to access services acquired by the government pursuant to this contract (hereinafter “applicable services”) or, in the case of public employees, to perform their job duties; accordingly, in performing the work, contractor shall not require or invite any citizen or public employee to agree to or provide consent to any end user contract, privacy policy, or other terms of use (hereinafter “terms of use”) not previously approved in writing by the procurement officer. Contractor agrees that any terms of use regarding applicable services are void and of no effect.
(b) Unless expressly provided in the solicitation, public contracts are not intended to provide contractors an opportunity to market additional products and services; accordingly, in performing the work, contractor shall not – for itself or on behalf of any third party – offer citizens or public employees (other than the procurement officer) any additional products or services not required by the contract.
(c) Any reference to contractor in items (a) or (b) also includes any subcontractor at any tier. Contractor is responsible for compliance with these obligations by any person or entity that contractor authorizes to take any action related to the work.
(d) Any violation of this clause is a material breach of contract. The parties acknowledge the difficulties inherent in determining the damage from any breach of these restrictions. Contractor shall pay the state liquidated damages of $1,000 for each contact with a citizen or end user that violates this restriction. [07-7B212-1]

**SUBCONTRACTOR SUBSTITUTION PROHIBITED – RESIDENT SUBCONTRACTOR PREFERENCE (SEP 2009):**
If you receive an award as a result of the subcontractor preference, you may not substitute any business for the subcontractor upon which you relied to qualify for the preference, unless first approved in writing by the procurement officer. If you violate this provision, the State may terminate your contract for cause and you may be debarred. In addition, the procurement officer may require you to pay the State an amount equal to twice the difference between the price paid by the State and the price offered by the next lowest bidder, unless the substituted subcontractor qualifies for the preference. [11-35-1524(D)(5)(c)]

**SUBSTITUTIONS PROHIBITED – END PRODUCT PREFERENCES (SEP 2009):**
If you receive the award as a result of the South Carolina end product or United States end product preference, you may not substitute a nonqualifying end product for a qualified end product. If you violate this provision, the State may terminate your contract for cause and you may be debarred. In addition, you shall pay to the State an amount equal to twice the difference between the price paid by the State and your evaluated price for the item for which you delivered a substitute. [11-35-1534(B)(4)]

**TERMINATION FOR CONVENIENCE – SHORT FORM (JAN 2006):**
The Procurement Officer may terminate this contract in whole or in part, for the convenience of the State. In such a termination, the Procurement Officer may require the contractor to transfer title and deliver to the State in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called “manufacturing material”) as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. Upon such termination, the contractor shall (a) stop work to the extent specified, (b) terminate any subcontracts as they relate to the terminated work, and (c) be paid the following amounts without duplication, subject to the other terms of this contract: (i) contract prices for supplies or services accepted under the contract, (ii) costs incurred in performing the terminated portion of the work, and (iii) any other reasonable costs that the contractor can demonstrate to the satisfaction of the State, using its standard record keeping system, have resulted from the termination. The contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided. As a condition of payment, contractor shall submit within three months of the effective date of the termination a claim specifying the amounts due because of the termination. The absence of an appropriate termination for convenience clause in any subcontract shall not increase the obligation of the state beyond what it would have been had the subcontract contained such a clause. [07-7B260-1]

**WARRANTY (GTC MARCH 2015):**

Withholding Requirements for Payments to Nonresidents: Section 12-8-550 of the South Carolina Code of Laws requires persons hiring or contracting with a nonresident conducting a business or performing personal services of a temporary nature within South Carolina to withhold 2% of each payment made to the nonresident. The withholding requirement does not apply to (1) payments on purchase orders for tangible personal property when the payments are not accompanied by services to be performed in South Carolina, (2) nonresidents who are not conducting business in South Carolina, (3) nonresidents for contracts that do not exceed $10,000 in a calendar year, or (4) payments to a nonresident who (a) registers with either the S.C. Department of Revenue or the S.C. Secretary of State and (b) submits a Nonresident Taxpayer Registration Affidavit - Income Tax Withholding, Form I-312 to the person letting the contract.

The withholding requirement applies to every governmental entity that uses a contract ("Using Entity"). Nonresidents should submit a separate copy of the Nonresident Taxpayer Registration Affidavit - Income Tax Withholding, Form I-312 to every Using Entity that makes payment to the nonresident pursuant to this solicitation. Once submitted, an affidavit is valid for all contracts between the nonresident and the Using Entity, unless the Using Entity receives notice from the Department of Revenue that the exemption from withholding has been revoked.

Section 12-8-540 requires persons making payment to a nonresident taxpayer of rentals or royalties at a rate of $1,200.00 or more a year for the use of or for the privilege of using property in South Carolina to withhold 7% of the total of each payment made to a nonresident taxpayer who is not a corporation and 5% if the payment is made to a corporation. Contact the Department of Revenue for any applicable exceptions.

For information about other withholding requirements (e.g., employee withholding), contact the Withholding Section at the South Carolina Department of Revenue at 803-898-5383 or visit the Department’s website at www.sctax.org.
