

**JUSTIFICATION FOR
SOLE SOURCE PROCUREMENT**

Agency: Greenville Technical College

Sole Source Vendor: Anatomage Inc.

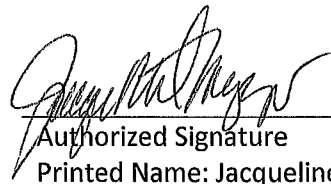

Based upon the following determination, Agency proposes to acquire the supplies, construction, information technology, and/or services described herein from the Vendor named above per S.C. Code Ann. §11-35-1560 and S.C. Regulation 19-445.2105, Sole Source Procurement.

Description of the Agency need that this procurement meets: The current tables we own will facilitate a maximum of 16 students. Our class sizes range from 20-40 students. A third table, including software, is needed to allow full classes to learn together and to facilitate more hands-on learning time during rotations.

Description of market research Agency performed to determine the availability of products or services that would meet the Agency's needs: The two tables we currently own were purchased through an IFB process which was awarded in May 2024. The awarded vendor/manufacture confirmed that the table is only sold through them, there are no other distributors of this product in the US.

Description of supplies, construction, information technology, and/or services Vendor will provide under the contract: The vendor will provide the table, including a Science software package, with updates as well as technical support and any necessary trainings.

Detailed explanation why no other vendor's supplies, construction, information technology, and/or services will meet the needs of the Agency: This table and software is needed for compatibility with the tables being utilized currently to provide for consistency in teaching and learning. A different table would not allow for consistent delivery in material and assignments in the classroom.

Authorized Signature

Printed Name: Jacqueline DiMaggio

Title: VP for Finance
